

Like the Way I do

Is it so hard to satisfy your senses?

You found out to love me you have to climb some fences

Scratching and crawling along the floor to touch you

And just when it feels right *you say you found someone* to hold you

Does she like I do

**Baby tell me does she love you like the way I love you**

**Does she stimulate you, attract and captivate you**

**Tell me does she miss you existing just to kiss you** Like the way I do

**Tell me does she want you, infatuate and haunt you**

**Does she know just how to shock, electrify and rock you**

**Does she inject you, seduce you and affect you** Like the way I do

**Like the way I do**

Can I survive all the implications

Even if I tried could you be less than an addiction

Don't you think I know there's so many others

Who would beg steal and lie, fight, kill and die

Just to hold you, hold you like I do

**Baby tell me does she love you like the way I love you**

**Does she stimulate you, attract and captivate you**

**Tell me does she miss you existing just to kiss you** Like the way I do

**Tell me does she want you, infatuate and haunt you**

**Does she know just how to shock and electrify and rock you**

**Does she inject you, seduce you and affect you** Like the way I do

Oh, nobody loves you, like the way I do

Nobody wants you, like the way I do

Nobody needs you, like the way I do

Nobody aches, nobody aches just to hold you Like the way I do No, no, no

**Tell me does she love you like the way I love you**

**Does she stimulate you, attract and captivate you**

**Tell me does she miss you existing just to kiss you** Like the way I do

**Tell me does she want you, infatuate and haunt you**

**Does she know just how to shock and electrify and rock you**

**Does she inject you, seduce you and affect you** Like the way I do

No, like the way I do
