

Not fair

Oh he treats me with respect He says he loves me all the time
He calls me fifteen times a day He likes to make sure that I'm fine
You know I've never met a man Who's made me feel quite so secure
He's not like all them other boys They're all so dumb and immature

**There's just one thing That's getting in the way
When we go up to bed You're just no good, it's such a shame
I look into your eyes I want to get to know you
And then you make this noise And it's apparent it's all over**

**It's not fair and I think you're really mean
I think you're really mean I think you're really mean
Oh, you're supposed to care
But you never make me scream You never make me scream**

**Oh, it's not fair And it's really not okay
It's really not okay It's really not okay
Oh, you're supposed to care
But all you do is take Yeah, all you do is take**

Oh, I lie here in the wet patch In the middle of the bed
I'm feeling pretty damn hard done by I spent ages giving head
Then I remember all the nice things That you've ever said to me
Maybe I'm just overreacting Maybe you're the one for me

**There's just one thing that's getting in the way
When we go up to bed You're just no good, it's such a shame
I look into your eyes I want to get to know you
And then you make this noise and it's apparent it's all over**

**It's not fair and I think you're really mean
I think you're really mean I think you're really mean
Oh, you're supposed to care
But you never make me scream You never make me scream**

**Oh, it's not fair and it's really not okay
It's really not okay It's really not okay
Oh, you're supposed to care
But all you do is take Yeah, all you do is take**
